His Highness the Maharaja of Mysore,
Revenue *Department*

SIR,

I have the honour to forward herewith copy of letter No. C.C.1616/23-24 dated the 5th March 1924 from the Deputy Commissioner, Mysore District, stating that the estimate for repairs to Hullenahalli Tank in Nagamangala Taluk amounts to Rs. ~~722~~ 722; while the assessment of the atchkat lands is only Rs.299-8-0, and that there are no other works in the locality to be undertaken for relieving distress. He therefore recommends that the difference between the amount of the estimate and the annual assessment (which comes to Rs.622-8-0) may be waived. It is however seen that the ryots' share of the work amounts to Rs.722/- and deducting therefrom one year's assessment of Rs.299-8-0 the sum that will have to be remitted will be the difference i.e., -- Rs.422-8-0.

In the circumstances set forth I request that Government may be pleased to accord sanction to the waiving of contribution of Rs.422-8-0 due by the villagers, the cost being met out of the sum of the additional one lakh of rupees, Government sanction for which has been applied for.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.
